WORKPLACE FACILITIES & SAFETY

A.N.B. Fashion Ltd. as a responsible apparel manufacturer offers it's staff with a working environment that is high above the level that required by law. A.N.B. Fashion has built and updated its plants lighting, ventilation and ergonomics using state-of-the-art systems such as electrical fitting bus bars, lamp mirror overhead reflectors, forced duct ventilation, etc.

In accordance with ISO criteria, guidelines and warning signs are displayed in extremely visible locations, inside the plant and in local language (Bengali). In addition, the use of metal gloves during fabric cutting, needle guard during sewing and similar processes considerably decreases work-related accidental issues.

A.N.B. Fashion elaborately strives to empower females not only by hiring more females into the workforce,
treatment costs for any injuries caused during working hours.

SOCIAL RESPONSIBILITY & AWARENESS

We strongly believe in safe work place which gives much confidence to the workers. Human rights, occupational health and safety are our main principal. We respect buyer's "Code of Conduct" and always trying for the continuous improvement of the social standard of the workers. We installed necessary Fire Extinguisher around our Factory. Similarly an extra stair also have out side of the building for the worker to leave the Production Floor quickly if needed to an emergency exit.

In addition, workers opinion and suggestions are considered through workers welfare committee. Complain Box also put at the ground floor and aware our worker to drop written complain against anybody or anything. Our welfare officer has open the box after regular interval.

HOUSE DOCTOR & TREATMENT FACILITY

A Doctor has appointed to provide instant treatment to the worker and has also an emergency patient bed for treatment and also for getting urgent rest if necessary.

Its medical unit, properly equipped with a team of full-time physicians and nurses, expands consultation & medication to the overall health care needs of employees. It also carries a complete treatment therapy.
